Strive for Excellence

ATHLETE DEVELOPMENT PROGRAM – IMPORTANT INFORMATION

The ADP is a complete sports education and training program aimed to assist students in the pursuit of sporting excellence. The ADP is offered as an elective subject at BSE and students must apply for entry. The program runs for the entire year.

BSE also offers an Associate Program. Students can apply directly for the Associate Program or may be offered a place in the Associate Program if their ADP application is unsuccessful. This program is run for the entire year and is directed by ADP coaches. The Associate Program is a physical conditioning program run before school, with breakfast supplied afterwards.

Core Components of the ADP

- Technical and tactical skill development (for athletes in technical squads)
- Physical Preparation
- Professional Development curriculum
- Sports science and sports medicine support
- Personalisation of training and development

Conditions of Enrolment

ADP or Associate Program athletes offered a position in the program must accept their position and pay their Annual Fee by the required date to secure their position. Athletes must also agree to the terms and conditions specified by the '**Student Athlete Agreement.**' This requires athletes to:

- Consistently '*Strive For Excellence*' in sport and studies
- Consistently meet ADP Athlete Requirements (**see ADP Selection Policy**)
- Represent the College in their sport
- Conduct themselves in line with the school's expectations (5Rs) and rules
- Communicate well and use social media appropriately
- Always demonstrate sportsmanship and abide by the rules and spirit of sport at all times
- Maintain personal habits of health and fitness that contribute to sporting excellence
- Behave and dress in a professional manner at all times during sport and training
- **Always** abstain from taking drugs that modify growth, behaviour or performance

Athletes will be supported to meet these Conditions of Enrolment. Failure to address requirements may result in removal from the ADP or Associate Program. Please refer to the **ADP Probation Policy** for more information.

Application Process

Please refer to the **Admission Process Flowchart 2018** on the ADP website for details about the Application Process.

Annual Fees

As participation in the ADP is voluntary, not all costs are covered in the College budget.

The 2018 ADP Annual Fee is \$450. This fee is non-refundable

The 2018 Associate Program Annual Fee is \$250. This fee is non-refundable

The Annual Fees are in addition to BSE College Fees and contribute to costs associated with running the Program. Some excursions will incur additional costs, especially where accommodation and transport are required. Parents will be given advanced notice of major excursions to assist with planning and budgeting.

Please contact the Business Manager at the College if you require more information about Annual Fees or if you would like to discuss a payment plan.

Important

Acceptance into the ADP or Associate Program in one year does not lead to automatic acceptance in the following year. Students are required to apply each year.

Both academic achievement and sporting progress recorded on the student's ADP tracking program is **regularly reviewed throughout the year**. Students are therefore required to **consistently** satisfy the terms of their Student-Athlete Agreement to maintain their place in the ADP or Associate Program.
