

Dear Prospective ACA Parent and Students,

Our College provides the opportunity for students to pursue excellence in a personal passion, in their learning program.

The **Academy of Creative Arts** (ACA) is a new addition to BSE's specialist program.

ACA is a select entry program for students with a talent in the performing and/or visual arts. (See details in the attached brochure).

The emphasis of the core program is the development of the 'artist'. Participants can also access technical training by leading artists in each of the Arts' strands. Our College has a modern theatre and specialist spaces to support high quality learning in all strands of the Arts.

Students who are accepted into the program will be expected to strive for excellence in all aspects of their school life. Participants must have and maintain an exemplary academic record.

If you have an interest in developing your talent as an 'artist', then ACA at BSE is for you.

If you would like to know more about the program, please contact Cynthia Holsworth at the College.
