

Curriculum 7-10 Assessed Elements

The elements that are assessed are as follows:

ELEMENT 1: English

As part of the College focus on improving literacy outcomes, students will be expected to meet a minimum Progression Point average across all English dimensions.

ELEMENT 2: Maths

As part of the College focus on improving numeracy outcomes, students will be expected to meet a minimum Progression Point average across all Maths dimensions.

ELEMENT 3: Progression Point Average

Progression Point average from all subjects should meet the required amount or greater by the end of the year.

ELEMENT 4: Attendance

Required attendance percentage.

ELEMENT 5: Learning Assessment

All Learning Assessment completed and a certain percentage submitted on time or greater for the year.

ELEMENT 6: Learning Culture

Learning Culture does not meet Review level.

ELEMENT 7: School Assessed Coursework (SACs)

A satisfactory (S) standard is achieved in all SACs in all units.

ELEMENT 8: Learning Tools

An 'S' is achieved by completing Year Level specific Life Learner online modules (Study Skills, Learning Attributes, 5R, Year Level Theme, Emotional Intelligence – EI) and achieving 'Satisfactory' for Learning Tools both semesters – workbooks, use of online SLP and laptop that is used effectively (eg folders, google docs etc).

ELEMENT 9: Co-Curricula

Attendance and participation in a range of co- curricula programs. 150 points to be earned to achieve a Pass for this element.

Service Awards presented – Local (150 points). National (225 points), Global (300 points).

ELEMENT 10: Personal Learning Plan (PLP)

An 'S' is achieved by the completion of a Personal Learning Plan which includes, Personal Learning Goals (Literacy, Numeracy, Expectations – from Dashboard) and a Well Being plan (fitness, Life Balance), and participation in at least one established, formal community program for the year. This is signed off by the 'leader' of the programs (eg music teacher, sports coach).
